Defense of preaching

“Alas, Madam! Is the scripture more plain in any one thing, than that the gospel of Christ should be plentifully preached; and that plenty of labourers should be sent into the Lord's harvest; which, being great and large, standeth in need, not of a few, but many workmen!”

“Public and continual preaching of God's word is the ordinary mean and instrument of the salvation of mankind.”

Defense of prophesyings

Separation of powers
