### The Life of Abraham Sermon Series

We will resume our series on the life of Abraham at Genesis 19.1-11, a supernatural rescue mission.

### Happy Anniversary: Eight Years of Public Worship

With the completion another year it is again a time to give thanks! It's impossible for us to avoid the conclusion that without God's grace and provision, our fragile church plant would end. We've known since our flight from the wickedness of The Episcopal Church meant that we had little time for "strategic" planning but relied on God's assertion that *unless the LORD builds the house, those who build it labor in vain*.

We PRAISE our heavenly Father for the certainties of his promises and the peace that comes with knowing that he is both sovereign and seeks our good; that he will protect us and continue to provide us with everything we need to persevere in our witness to the gospel – including people.
